

Calling Attention to a Matter of urgent public Importance,

Re : Non-dispersal of scholarship amounts to SC/ ST Students.

SRI C. M. ARUMUGHAM.—I call the attention of the Minister for Social Welfare and Backward Classes to the non-dispersal of scholarship amounts to the Scheduled Caste students of Middle and High Schools for the period ending 31 st March, 1982 in several schools of Bangalore City.

SRI P. VENKATARAMANA.—(Minister for Social Welfare and Backward Classes)—

The usual procedure followed for payment of scholarship is that, on receipt of the applications from the Educational Institutions the District Social Welfare Officers will scrutinise the applications for the payment of scholarship and sends for computerisation. The award list after being finalised at the Computer Centre, will be forwarded to the respective District Social Welfare Officers. The District Social Welfare Officers would prepare the bill and countersign and send it to the respective educational institutions for disbursement of the scholarship, to draw the amount from the Treasury and make payments to the eligible candidates.

During the year 1981-82, in Bangalore City the total number of applications received was 27,337, of which 18,939 were from Middle schools and 8,398 from High Schools. In total, 19,762 students were awarded scholarships of which 5,132 were from High Schools, and 14,630 from Middle Schools. The total amount granted was Rs. 11,62,475.

The remaining 6045 applications were returned with the following observations :

1. Applications received from failed candidates.
2. Applications received from Hostellers.
3. Caste certificates issued by authorities other than Tahsildars.
4. Caste Certificate not enclosed to the format.
5. Applications received from non-SC candidates.
6. Incomplete applications.

The school authorities after observing the objections raised by the department have returned back 1530 applications during April, 1982 and the same have been sent to computerisation for scrutiny and finalisation of the award list. Arrangements are made to release the scholarship amount to these 1530 candidates within a week's time out of the current year's budget.

Arrangement would be made to make payments of the scholarship for the year 1981-82 to the remaining candidates if the complete applications are received from the respective heads of the educational institutions, and if the candidates qualify for payment of scholarship.

SRI C. M. ARUMUGHAM.—Sir, I would like to know from the Hon'ble Minister for Social welfare as to when did the department finalise the 19,762 scholarship applications of the students and when were they given the scholarship amount. Is it in the beginning of the year or at the end of the year?

Secondly, I want to know some information about the failed students. Please tell me out of this category how many of them are boys and girls. Is there any concession shown to the failed girl students? Are they entitled for scholarship for the second term i.e., even if they fail to pass the examination in the prescribed academic year.

Thirdly, I was told that large number of students studying in II year PUC are not being paid the scholarship amount. Is that information correct? I would like to know what is the policy of the Government in this behalf. Is that the policy of the Government to pay them scholarship after the students complete their academic year? I do not know why there is so much delay in paying scholarship to the students who are said to be eligible as per the relevant orders. This is happening not only in Bangalore but all over Karnataka.

Then, Sir, the scholarship amount that is now being paid namely Rs. 75 for High School students, and Rs. 50 for Middle School students was fixed some 15 years back based on the market rate prevalent at that time. Therefore, I appeal to the Government to enhance the rates keeping in view the present economic conditions and high prices prevailing in all the sectors. Hope the Government would act quickly in this regard.

Further, I wish to say that if the scholarship which is meant to help the students is not disbursed within the relevant time. I say there are every possibilities of drop outs of students at various stages. This is what is happening now. I know why there is this delay. The Social Welfare Department which sanctions the scholarship raise some sort of objection. They say that the application did not contain a certificate from the Tahsildar or the B.D.O. After raising some objection they will keep aside the applications for a long time. Is it not the duty of the department to intimate the students to comply with the objections raised immediately? Has it been done

in this case? Sir, the Directorate of Social Welfare is not functioning effectively. They are not attending to the complaints of students who are approaching the department for grant of scholarships. They are not discharging their duties promptly. I would like to know from the Hon'ble Minister what action has been taken against these erring officers, who are responsible for the delay in sanctioning the scholarship amount. Please tell me when did they consider these applications, when exactly the applications were received and when were they finalised in the Directorate. Now, in the statement it is said that they would release the grants out of the budget grant for this year. I would like to know from the Minister what happened to the last year's budget provision listed for sanction of scholarships to the students. Sir, Here I would like to inform one thing to the House. In Karnataka we are spending only 1% towards scholarship for SC/ST students whereas in Tamilnadu, in Andhra and in other States they are spending 4% of the budgeted amounts towards Scholarships for SC/ST students. Sir, our Hon'ble Minister who belongs to the same community has done nothing for their welfare. I appeal to him to take action against the Officers who are responsible for the delay in sanctioning the scholarship amount. Further, I should tell that the department of social welfare is not functioning effectively. That is why the scholarships to the students are being disbursed on 31st of March or sometimes even in the last week of April. This is the state of affairs. I want to know who is coming in the way of disbursing the scholarships to the students. Is it that the Government is against it or the Finance Department or the Minister incharge is against for grant of scholarship or your departmental officers are against this policy.

Lastly, I want to know when are you going to disburse the scholarship amount to the students. Now you say you will do so within a week. Why so much time is required to do that job? What were they doing all these days.

SR. P. VENKATARAMANA.—Respected Speaker Sir, he has raised a point regarding failed girl candidates for getting the scholarship. When once they are failed, they are not eligible for scholarship.

The hon'ble Member has mentioned about the scholarship amount at present fixed for those who are studying in middle schools and in High Schools. Those who are studying in middle schools are getting Rs. 50 per year and those who are studying in High schools are getting Rs. 75 per year as scholarship amount. It is true that the scholarship has been fixed about 14 years back and now the Government is examining the question of increasing the scholarship amount both for Middle School and High school students.

SRI C. M. ARUMUGHAM.—What is the amount prescribed?

MR. SPEAKER.—He is examining.

SRI C. M. ARUMUGHAM.—He will take another two years.

SRI P. VENKATARAMANA.—It is already under process. During the year 1981-82, *i.e.*, on 18-5-1981, under Plan, Rs. 1,50,000 was released and under Non-Plan Rs. 2,00,000 was released. On 18-9-1981, under Plan, Rs. 1,50,000 was released and Non-Plan Rs. 1,50,000 was released *i.e.*, total Rs. 3 lakhs were released. On 5-3-1982, under Plan, Rs. 1 lakh was released. 23-3-1982, under Non-Plan, Rs. 4,12,475 was released and under Plan Rs. 4 lakhs was released and under Non-Plan, Rs. 7,62,475 was released and the total is Rs. 11,62,475.

During 1981-82, 27,337 pre-matric scholarship applications were received for award of scholarship from the Head Masters of schools. The details are as follows.—

Middle Schools	...	18,939
High Schools	...	8,398

For High Schools.—July 1981–September 1981—

	No. of awardees. 70	Amount sanctioned.	Rs. 5,225
For Middle Schools.—	No. of Awardees. 267	Amount sanctioned.	Rs. 13,360
Total is. 337	awardees.—	Amount sanctioned	Rs. 18,585

During October 1981 to December 1981.

	For High Schools.—		
No. of awardees.	...		1,297
Amount sanctioned	...	Rs.	97,275
	For Middle Schools.—		
No. of Awardees	...		5,479
Amount sanctioned	...	Rs.	2,90,065
	Total is,—	6,776	awardees

During January 1982 to March 1982.

For High Schools.—	No. of Beneficiaries	3,765
	Amount sanctioned is.	Rs. 2,82,325
For Middle Schools.—	No. of Awardees	8,884
	Amount sanctioned.	Rs. 4,74,225
	Total amount is	Rs. 7,56,550
	Total No. of awardees.	12,649

Again during the year 1982-83, on 10th June 1982, vide Govt. Order SSW/ED SE BQ. 5/82-83, for all the districts, Rs. 27,30,000 is released.

The Government is seriously considering the question of increasing the scholarship amount for middle and High School students, This is for the formation of the House.

Sri C. M. ARUMUGHAM.--Some of them are paid Scholar Ship amount in July and August and some are paid in December and some are paid in march. I would like to know what exactly are the reasons for this type of piece-meal disbursement of the Scholarship amount? Is it because of financial stringency or for what other reason, I would like to know. Why not the Government make a policy to disburse the scholarship amount in the beginning of the academic year itself? From the statement, it is seen that some 27000 students have applied for scholarship and you have received those applications in time and it has been computerised. When that is the case, what is the reason for the piece-meal disbursement of the scholarship amount? I would also like to know what is the reason for the disbursement of scholarship after the academic year is over? Since the Government has not disbursed the scholarship amount in time, the students were put to trouble and they were not able to purchase text books. If money is given after the academic year, what is the use? Will the Hon'ble Minister make a policy statement that the scholarship amount for the students of the SCs/STs studying in Schools, PUC, and Colleges will be disbursed in the beginning of the academic year itself?

Sri P. VENKATARAMANA.--The system of computerisation was introduced during the last year only. The applications were received a bit late even from the Head Masters of Middle and High Schools. After the receipt of the applications, we had to send for computerisation. Therefore, it was delayed during the last year.

This year, we have already sanctioned the amount to various Districts for disbursement and at the same time, the Director of Computerisation has been called and issued instructions to see that well in advance the information is computerised and sent to the District Social Welfare Officers so that the Head Masters of the Middle and High Schools could disburse the scholarship amount well in time.

As the Hon. Member knows very well, that when once the amount is provided in the budget, it will not be released at a stretch and the amount will be released once in three months or six months. This is the practice prevailing in all the Govt. departments

Therefore, I welcome the suggestion of the hon. Member and I understand his curiosity but at the same time, I would like to inform the Hon. Member that I will examine this aspect and try to remedy the defects that are in the system to help the students.

SRI C. M. ARUMUGHAM.—Out of 22,000 applications, the scholarship was sanctioned to 1,000, at one time, and another 5,000 for the second time like that. Is it not so? Is it the way the Finance Dept. is releasing funds to your Department?

SRI F. VENKATARAMANA.—Though the entire amount required for the disbursement to the scholarship is provided in the budget, the amount will not be released at a stretch. Sri Arumugham is a senior Member of this House and I am sure he knows about it.

I have stated in my answer as follows :—

The remaining 6045 applications were returned with the following observations :

1. Applications received from failed candidates.
2. Applications received from Hostellers.
3. Caste Certificates issued by authorities other than Tahasildars.
4. Caste Certificate not enclosed to the format

SRI P. VENKATARAMANA.—Criteria laid down by the Government of India are to be strictly followed; we cannot change them. A Sub-Committee constituted by this House has gone into this matter and has decided as to who is the competent authority to give the Certificate. Therefore, ಅದನ್ನು ಚೇಂಜ್ ಮಾಡುವುದಕ್ಕೆ ಬರುವುದಿಲ್ಲ.

ಶ್ರೀ ಪಿ. ವೆಂಕಟರಮಣ.—ಅಧ್ಯಕ್ಷರೇ ೧೯.೭.೭೨ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಕೊಟ್ಟಿದ್ದೇವೆ. ಹಾಗೂ ೬,೦೪೫ ಅರ್ಜಿಗಳ ಬಗ್ಗೆ ತಡವಾಗಿರುವುದಕ್ಕೆ ಕಾರಣ ಏನು ಎಂಬ ಬಗ್ಗೆ ನಾನು ಮೊದಲೇ ಹೇಳಿದ್ದೇನೆ. ಹೆಡ್‌ಮಾಸ್ಟರ್‌ನಿಂದ ಬರುವುದು ನಿಧಾನವಾಗಿರುತ್ತದೆ. ಇನ್‌ಫರ್ಮೇಷನ್ ಕೊಡುವಾಗ ತಪ್ಪಾಗಿರುತ್ತದೆ ಅದನ್ನು ಸರಿಪಡಿಸಿಕೊಡಬೇಕಾಗುತ್ತದೆ. ಹಾಗೂ ಕಂಪ್ಯೂಟರ್‌ಸೇಷನ್ ಸಿಸ್ಟಮ್‌ನ್ನು ಹೊಂದ ಸಲ ಮೊದಲ ಬಾರಿ ಇಂಟ್ರಡ್ಯೂಸ್ ಮಾಡಲಾಯಿತು. ಆ ಕಾರಣದಿಂದ ತಡವಾಗಿದೆ. ಇನ್ನು ಕೆಲವು ಇನ್‌ಫರ್ಮೇಷನ್ ಕೊಟ್ಟ ತಕ್ಷಣ ಅವುಗಳನ್ನು ಕಂಪ್ಯೂಟರ್‌ಗೆ ಕಳುಹಿಸಿಕೊಡುತ್ತೇವೆ. ಕಂಪ್ಯೂಟರ್ ನಂತರ ಅದನ್ನು ಪೈನಲ್ ಮಾಡುತ್ತೇವೆ. ಅವನ್ನು ನಾವು ಮಂಜೂರಾತಿಗಾಗಿ ಕಳುಹಿಸಿಕೊಡುತ್ತೇವೆ.

SRI C M. ARMUGHAM.—Sir, these 6,045 applications have been returned only in Bangalore City. I want to know how many application have been returned in the entire State. Sir, there are thousands of PUC II year students in the State. But so far they have not received their scholarship money. Therefore, I want to know when exactly they will receive this amount? Now, they have raised the Scholarship to Rs 50 and 75 in respect of Middle Schools and High School students respectively. On what basis this amount has been raised?

SRI P. VENKATARAMANA. — They have fixed it on the basis of index number. Now, we will work out the index number and arrive at a figure and again fix it up in consultation with the Finance Department.

SRI C.M. ARMUGHAM. — When exactly the scholarship amount is disbursed to PUC II year students through out the State.

ಶ್ರೀ ಪಿ. ವೆಂಕಟರಮಣ. — ಕಳೆದ ವರ್ಷ ಉಳಿದರತಕ್ಕ ಅರ್ಜಿಗಳ ಬಗ್ಗೆ ಆದಷ್ಟು ಜಾಗೃತ ವರದಿ ತರಿಸಿ ಎಷ್ಟು ಉಳಿದಿವೆ ಎನ್ನತಕ್ಕ ರೆಫ್ಯೂ ಮಾಡಿ ಇಮ್ಮಡಿಯೆಟ್ ಆಗಿ ಡಿಸ್‌ಪೋಸ್ ಮಾಡುವುದಕ್ಕೆ ವ್ಯವಸ್ಥೆ ಮಾಡುತ್ತೇನೆ.

ಶ್ರೀ ಐ. ಪಿ. ಡಿ. ಸಾಲಪ್ಪ. — ಇನ್ನು ೧೫ ದಿವಸಗಳಲ್ಲಿ ಮಾಡಿಸುತ್ತೀರಾ?

ಶ್ರೀ ಪಿ. ರಾಮಭಟ್. — ಹೊಸದಾಗಿ ಕಂಪ್ಯೂಟರ್ ಇಂಟ್ರಡ್ಯೂಸ್ ಮಾಡಿರುವುದರಿಂದ ಲೇಟಾಗಿ ಯೆಂದು ಮಾನ್ಯ ಮಂತ್ರಿಗಳು ಹೇಳಿದರು. ಕಂಪ್ಯೂಟರ್‌ನಿಂದ ಈ ನಿಧಾನವಾಗಿದ್ದರೆ, ಈ ವರ್ಷಕ್ಕೂ ಡಾ ನಿಧಾನವಾಗುತ್ತದಲ್ಲಾ?

ಶ್ರೀ ಪಿ. ವೆಂಕಟರಮಣ. — ಆಗುವುದಿಲ್ಲ.
